in this Office letter No. 2679 C.R.B dated 4-11-31 ... Z.
The paper under disposal is a reply to the letter ...
It will be noticed therefrom that this vacancy is not a fresh one but one which was already advertised as a Special Vacy. No. 153 of 31-32 in the Gazette dated 30.7.1931. The two applications received from the qualified candidates were forwarded with this Office letter No. 1279 C.R.B dated 25-8-31 ... B. Stt of appointment made has not been furnished ~~as~~ till now.

(b) Without any reference to this disposal of the first advertisement, another 'A' Stt was forwarded to this Office on 27.10.1931 to advertise this (a Special Vacancy) as a General Vacancy. The omission would have almost resulted in advertising the special vacancy as a General Vacancy inasmuch as the facts were screened from the view of this Office. V

(5) From the letter now received, it is clearly seen that this vacancy was previously advertised as a special vacancy and the very advertisement is now considered as a basis to treat the same vacancy now as a General Vacancy. The inconsistency of the statement is self evident. But even this was not furnished in the 'A' Statement, though there was a particular col^n to furnish this information.

(6) If the Municipal Commr was not contented with the qualifications prescribed by this office according to the rules for the vacancy when it was advertised as a special vacancy No. 153/31-32, it was open for him to make a special recommendation and obtain sanction of Govt. ~~for~~ But the procedure adopted by the Commissioner is quite contrary to the rules. The explanation furnished on requisition is not also consistent with the rules.

para 3 of G.O.D.

(7) The two applicants that responded to the advertisement in July 1931 are fully qualified and one of them may perhaps be appointed to the vacancy. If they are not available at this distance of time, the vacancy should be advertised again as a special vacancy but not as a General Vacancy.

(8) The question of relaxing the qualifications for the reasons urged in para 3 of the G.O.D. is for orders. A pass in the S.S.L.C. is the general standard of qualification to all the Stenographers appointed in all Court Offices including the Secretariat and the High Court.

(9) The vacancy is continuing from 16.7.31 and the particulars of the candidate appointed for conduct of work may also be called for, to see whether qualified hands have been appointed.

(10) The Commissioner's action is irregular. It does not seem necessary to revise the qualifications as suggested. We may be required to appoint one of these men who have already applied so to intimate the termination of the acting incumbent, if any

Ch. Sec 26/3

(11) The Municipal Commissioner may be asked why a vacancy which was Special and was advertised as such is now reported to be "general" vacancy. (12) What was done with the two applications sent in August 1931? Has the post been kept vacant all this time? If not, what temporary arrangements have been made?

26 MAR 1932

MM 28/3/32

(13) With reference to para (11) above the Municipal Commissioner explains in para 4 of his letter that the nature of the vacancy was changed from Special to "general" in order to secure the best available candidate by throwing it open to all communities. It is therefore evident that the alteration was arbitrary & it does not seem necessary to ask him about this again.

Ch. Sec 28/3

(14) That is no explanation at all. Whether the vacancy was general or Special was simply a question of fact. We should like definitely why an incorrect statement was sent

With reference to your letter No. 2679 dated 4th November 1931 and subsequent reminder thereon, requesting to furnish certain information regarding the appointment of a stenotypist in this Municipality, I have the honour to state that the last two vacancies have been treated as special reserve vacancies and the serial number etc., as required by you have been noted in the margin. The present or the third vacancy also has been treated as special one and "A" statement was sent to you for advertisement with this office letter No.260 dated 20th July 1931.

2 In response to this, only two applications were received and they were forwarded to this office for disposal with your letter No. 1279/C.M.S. dated 25th August 1931.

3 I may state in this connection that the post of the stenotypist has not occurred in the usual course. It was specially created for taking down the proceedings of the Municipal meetings for which, higher qualifications ... a University degree in Arts or Science is considered very necessary, as one has to follow the discussions and record them correctly.

4 In view of the above facts, it was decided to treat this vacancy as a special reserve vacancy for it

communities and to get the best qualified land.

As regards the last part of your letter, I may state that the Government order referred to, does not apply to this case.
